

You will find us in Ocean Village Marina – Southampton

We are based in the southern basin of Ocean Village Marina, Southampton at the very heart of the yachting world.

Ocean Village Marina (OVM) is an ideal location, it is easy reached by road or rail (Southampton Central has a 1/2 hourly train service from central London and OVM is only a short bus ride or 5 min taxi journey)

OVM is only a short walk to Southampton's finest restaurants and bars as well as having a Tesco Express on site for those last minute purchases.

A new secure OVM multi story car park and a surface berth holder's car part is close at hand along with showers and laundry facilities.

Access to the marina can be gained at any state of the tide and Reach 4 the Wind is moored F9, alongside F pontoon.

Directions

By road you can reach Ocean Village from either the M27 or from the M3 via A33.

From the West via the M27 exit 3, take the M271 and follow the Dock Gate signs past Town Quay then look for the signs to Ocean Village which should take you to Platform Road.

From the North / East via the M3 and A33 (shortest route and the one I use) M3 southbound – exit junction 14 onto the A33. Follow the signs to the "Docks" and "Waterfront", when you reach the Waterfront you should get to a Tee Junction with a set of traffic light, ahead of you, you will see "Union Castle House" turn left on to Canute Road

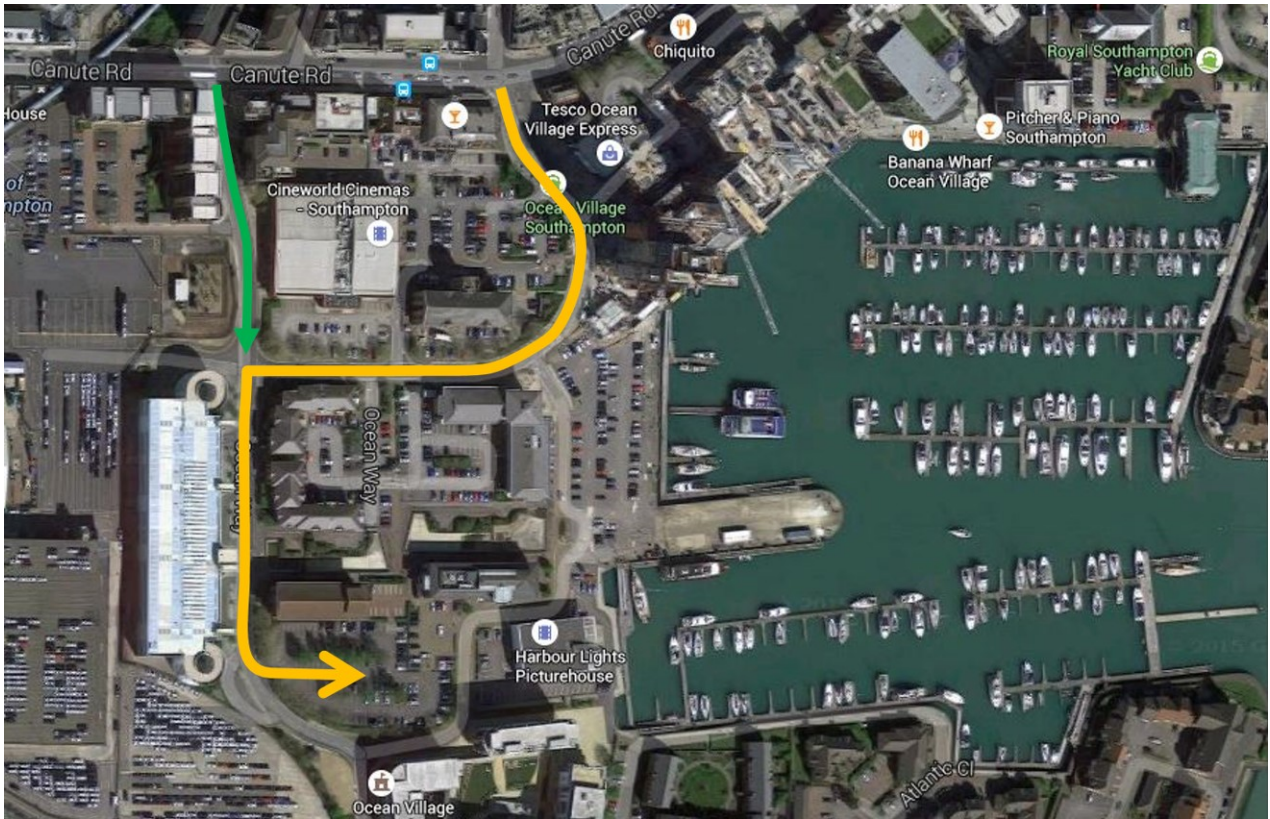

From either route when in Canute Road, turn right at the first set of lights into Ocean Way (Green Route), drive past the first cinema on your left. You will see the Multi Storey Car park (MSPC) on your right, drive past the MSPC and just as you get to the far end of the MSPC the road will start bend left, just as the road bends you will see on your left the entrance to the Berth Holders Car Part it is labelled as pay and display. You will know you are in the right place if you see a number of reserved parking bays at the far end labelled of one-hour use max.

If you enter off Canute Road at the Tesco entrance, please follow the Yellow Route shown below.

The Car Park is barrier controlled; you will need a pass to gain free entry. When you arrive please park in the "Coach Park" opposite and give me a call on **07831 431197**.

From the Car Park looking out over the water our entrance is at the far right corner of the marina (just in front of the Harbour Lights Cinema). The pontoon ramp both are fitted with coded gate. The code is constantly changing so please give me a call when you arrive on 07831 431197
